Description: "Oh has crafted a truly chilling middle grade horror novel that will grab readers' imaginations." —Publishers Weekly (starred review) "Even more impressive than the shiver factor is the way the author skillfully uses the compelling premise to present a strong, consistent message of not rejecting what you don't understand." —Booklist (starred review) "This..."

Review: Very good story, I really enjoyed how it keeps to the point of the book (spirits) without the usual half a dozen chapters of unnecessary detail that only serve to fill pages, the backstory(s) here, really are relevant to the story and blends into how our heroin becomes a spirit hunter. I will defiantly look for more books from Ellen Oh!!...
